Senator Ismael John
Enewetak/Ujelang Atoll Local
Government Council
Box 1199
Republic of the Marshall Islands
Majuro, Marshall Islands 96960

Dear Senator John:

In response to the Enewetak Ujelang Local Government Council's request, I have enclosed a report prepared by the Lawrence Livermore National Laboratory concerning the different techniques used to measure plutonium and other actinide elements.

I trust you will find this responsive to the Council's request.

Sincerely,

Paul J. Seligman, M.D., M.P.H.
Deputy Assistant Secretary
for Health Studies
